Documents for Accepted Students

2022-2023 Academic Year

Capital Community College
950 Main Street
Hartford, CT 06103

Please note this information is ONLY for accepted students to the CT-CCNP for the 2022-2023 academic year.
March 31, 2022

Dear Nursing Student:

CONGRATULATIONS on your acceptance to the Connecticut Community College Nursing Program at Capital (CCC). We are pleased that you have selected our program for your nursing education and are excited to begin this journey with you.

It is very important that you take the time to review the accompanying attachments for important dates and information regarding the acceptance process. In order for you to begin the nursing program you will be required to attend a General Mandatory Freshman Orientation program. At this session you will receive detailed information about the Connecticut Community College Nursing Program. The Mandatory Freshman Orientation will be on TUESDAY JUNE 22, 2022 9:00am – 3:00pm in the College Auditorium (Centinel Hall).

In addition to the General Mandatory Orientation, you will be required to attend one additional mandatory workshop session in August on Study Skills and Medication Dosage Calculation. See attached schedule. You are only required to attend one session.

Additional requirements needed in order to begin the Nursing Program are completion of a Background Check and Drug Testing, as well as, HEALTHCARE REQUIREMENTS uploaded to Castle Branch, a confidential document tracking system by July 22, 2022. Instructions for using Castle Branch are attached.

On behalf of the entire nursing faculty at Capital Community College, we welcome and congratulate you on your acceptance into our nursing program. We know that you have worked very hard to secure admission. Please know that we are here to support you and wish you much success. We look forward to meeting you as soon as is possible.

Sincerely,

Dawn R. Bunting

Dawn R. Bunting, EdD, MSN, RN, CNE, FAADN

| **11. MANDATORY STUDY SKILLS WORKSHOP** | Attendance at 1 Skills Workshop is Mandatory  
Thursday August 5 10:00 am – 1:00 pm  
Tuesday August 10 1:00 pm - 4:00 pm  
Wednesday August 11 5:00 pm – 8:00 pm  
*Check college emails for location – either on campus or virtual |   |
| **12. BACKGROUND CHECK and DRUG TESTING** | **PLEASE COMPLETE THE ATTACHED FORMS AT THE END OF THIS DOCUMENT by ** **JUNE 10, 2022.** |   |

Our clinical partners **REQUIRE BACKGROUND CHECKS and DRUG TESTING** for nursing students entering their facilities in order to complete their clinical experience.

To comply with this mandate, the CT-CCNP at Capital Community College is requiring you to have a **Background Check & Drug Screening offered by the CT League for Nursing (CLN).** The fee for the CORE Background Check and Drug Testing is **$70.00 for EACH. Please see directions and forms at the end of this document.**

To **initiate Drug Testing** students **must pay the fee to CT League for Nursing (CLN).** After the **fee is paid, it will initiate the process of obtaining the Drug Screen. PLEASE check your College EMAILS DAILY** for information regarding obtaining a **DRUG SCREEN.**

Each student must **sign a release** to allow this information to be sent to the Nursing Department. Students choosing not to consent to this procedure, will be **ineligible to participate in the required clinical** portion of the course, and therefore, will not be able to progress in the program.
Students who are found guilty of committing a felony/misdemeanor and/or found to have a positive toxicology test may be prevented by a facility from participating in clinical experiences. If you cannot participate in a clinical rotation at an assigned facility, you may not be able to complete the objectives of the course and of the program.

Background Check:

Should a background check reveal a student is guilty of committing a felony/misdemeanor, the Connecticut League for Nursing agrees to make two phone calls to clinical agencies where the student will be placed. The clinical site is asked if they will accept the student given the background check found the student guilty of committing a felony/misdemeanor. The CLN does not give the college, student name or actual crime, just the category of offense and date of offense. If two of the College’s clinical sites say they will not accept the student for clinical placement, the student is not able to meet the clinical objectives and clinical outcomes of the course. The Director notifies the student and the student is terminated from the Program.

The Background Check will cover all states and residences in which you have lived in for the past (5) years, as well as current residence and school location. The Background Checks will take 10-14 business days to conduct from the day of registration and receipt of payment.

**Failure to complete this process will result in a loss of seat in the nursing program.**

**NOTICE OF NONDISCRIMINATION**

Capital Community College does not discriminate on the basis of race, color, religious creed, age, gender, gender identity or expression, national origin, marital status, ancestry, present or past history of mental disorder, learning disability or physical disability, sexual orientation or genetic information or criminal record - [https://www.capitalcc.edu/about/title-ix/notice-of-nondiscrimination/](https://www.capitalcc.edu/about/title-ix/notice-of-nondiscrimination/)

Rev. 3/22
Clinical refers to all clinical learning experiences, on campus clinical/simulation laboratory experiences and off-campus/clinical experiences at affiliate/clinical agency practice settings/facilities.

Clinical assignments are designed to assist students to meet course learning outcomes. **REPEATED** violations of these expectations or any serious violation may result in immediate dismissal from the clinical setting, course, and/or nursing program.

**GENERAL INFORMATION**

1. Clinical experiences may be assigned during daytime, evening, or weekend hours and shift **cannot be guaranteed**.
2. Assignment of clinical sites is at the discretion of nursing faculty.
3. **Clinical assignments in all courses are subject to change** based on availability of clinical sites and number of students in clinical groups.
4. Clinical sites can be within an hour radius of the college and may require a parking fee.
5. Students must make their own travel arrangements during the program.
6. Clinical learning experiences are planned as an integral part of the nursing courses and are held at a variety of healthcare settings, such as hospitals, extended care facilities and selected community settings.

**PRACTICE EXPECTATIONS**

1. Student must arrive at the clinical site on time. The student who arrives late to clinical may be dismissed for the day. If student is dismissed from clinical for the day they will incur a clinical absence.
2. The students must come to the clinical setting demonstrating evidence of preparation to provide responsible, safe nursing care. The student who is unprepared for clinical may be dismissed for the day. If the student is dismissed from clinical for the day they will incur a clinical absence.
3. The student is responsible for seeking direction from the clinical faculty/instructor prior to performance of nursing skills.
4. The student may only perform nursing care when the clinical faculty/instructor is present in the assigned clinical agency during scheduled times. The student **MUST** follow clinical agency policies, procedures, and student affiliation guidelines at all times.
5. The student **MAY NOT REMOVE** clinical agency-generated information from the clinical agency.
6. Use of personal electronic devices, tape recorders, cameras, cell phones, and personal audible pagers is **NOT PERMITTED** on clinical units.
7. The student **MUST** notify the clinical faculty/instructor prior to leaving the clinical unit for any reason.
8. Students must attend pre and post conferences unless excused by the clinical faculty/instructor prior to the conference.

9. In the event a student’s behavior, physical, or emotional condition threatens or disrupts the clinical learning experiences, the clinical faculty/instructor may dismiss the student from the clinical site for the day, or balance of the day. If a student is dismissed, the incident will be documented, and the dismissal will be considered a clinical absence.

10. Any student who observes behavior by another student that threatens student or client safety has a responsibility to immediately report the behavior to the clinical faculty/instructor.

**DRESS CODE (REFER to CURRENT NURSING STUDENT HANDBOOK 2022-2023 for updates).**

1. The complete clinical uniform is to be worn during clinical experiences, unless otherwise directed by clinical faculty/instructor.
   a. It consists of designated uniform with nursing program logo, designated jacket with nursing program logo, water resistant medical professional shoes, stockings or socks of a neutral solid color, and protective eyewear for patient care. (Open clogs, moccasins, or shoe with writing or symbols are not permitted).

2. Wedding bands, medical identification bracelets, and one small stud earring in one or both ears are permitted.
   a. Nose, facial, tongue, or visible body jewelry is **NOT PERMITTED** in the college laboratory or at the clinical site.

3. Visible tattoos are discouraged and should be covered in accordance with clinical site policies.

4. Hair must be neat, clean, and maintained away from the face. Long hair **MUST** be held back in place and **OFF THE COLLAR**. Headwear is not allowed unless serving cultural or religious purposes.

5. Facial hair should be neat, cleaned, and well-trimmed.

6. Fingernails must be clean and trimmed. If nail polish is worn, it must be clear and free of chips. **NO ARTIFICIAL NAILS** are allowed.

7. Smoking, chewing tobacco, or gum is **NOT permitted** in the clinical setting.

8. No perfume, cologne, after shave, or heavy fragrance is to be worn.

9. Personal hygiene practices should be assure the lack of body odor.

Clinical faculty/instructor reserve the right to dismiss or restrict a student from the clinical/lab setting for failure to comply with the clinical practice expectations, dress code, and/or for extremes in personal grooming. Dismissal/restriction from clinical will result in a clinical absence and a clinical unsatisfactory on the formative evaluation for the day.

**PLEASE COMPLETE ATTACHED FORM and EMAIL to alemire@capitalcc.edu by June 10, 2022**

Rev 3/22
CT-CCNP @ CAPITAL
Division of Nursing
FALL 2022

Please Submit this form by JUNE 10, 2022 via EMAIL to alemire@capitalcc.edu

I have read, understand, and agree to abide by the defined Clinical Practice Expectations while a student in the CT-CCNP at Capital nursing program.

Support for Students with Disabilities

Capital Community College is a higher education institution that provides learning opportunities to every student including students with disabilities. We are committed to providing and promoting equal opportunities in all programs and services.

The Office of Student Support Services for Academic Success at Capital Community College provides academic adjustments to qualified students with disabilities. Students can seek ongoing services, support, and advising throughout the academic year.

You are encouraged to make an appointment to receive services. We are located in the Counseling Office located on the second floor of the college and can be contacted by phone at 860-906-5040 or email: CA-Disabilities@ccc.commnet.edu

Each academic adjustment plan may be unique based on each student’s current needs and desires as well as the supporting documentation. For the best experience, planning and open communication between the College’s Disabilities Services Coordinator and the student is necessary every semester an academic adjustment is requested. Academic adjustment letters are not created automatically, and academic adjustments are not provided retroactively.

In order to assure that academic adjustments will be available for the start of classes, a student must submit to Mark Lukas, Disabilities Specialist at least thirty (30) calendar days prior to the start of classes, appropriate documentation from an appropriate provider. Documentation must explicitly states the diagnosis of the disabilities, how those disabilities limit one or more major life activities and recommendations for academic adjustments in an educational setting. No other documentation, such as proof of admission to the College or a program nor registration for classes, need be provided by a student. Please see Guidelines for Submitting Accommodation Requests - https://www.capitalcc.edu/support-services/disabilities/

Thereafter, the Disabilities Services Coordinator and student requesting academic adjustments will meet to discuss options for academic adjustments that the College will provide based on the provided documentation. The Disabilities Services Coordinator may assist a student to register for courses, if requested.

Submit signed form below by JUNE 10, 2022 to Amy Lemire - alemire@capitalcc.edu
SUPPORT FOR STUDENTS WITH DISABILITIES

I acknowledge that I have received written directions on the procedure for requesting academic adjustments, including when and to whom to make the request.

FROM: Nursing Program, Capital Community College  
RE: Processing of a CORE Background Check for Your Clinical Experience

Due to the requirement by clinical sites in Connecticut for students to have completed a CORE Background Check PRIOR to beginning a clinical/internship experience, our school has partnered with the Connecticut League for Nursing (CLN) to coordinate this service. No student will be allowed to begin a clinical experience without having this screening conducted.

Please visit the website at [www.ctnursingguide.com Click on the Background Check Icon](http://www.ctnursingguide.com) on the right-hand column of the GUIDE homepage to access the registration page, complete the application, pay for this screening and input your information into the secure portal. **The fee for the CORE Background Check screening is $70.00.**

**DO NOT register by using your PHONE** as this method WILL NOT allow you to complete the second step of the registration process due to security & confidentiality issues. Should you be charged twice as a result of not using a computer you WILL NOT be refunded the $70.00 fee. If you encounter any problem with registering for DO NOT register twice, please call Anne DePalma@ CLN (203-691-5013) or email [anne@ctleaguefornursing.org](mailto:anne@ctleaguefornursing.org) for assistance.

*The Registration Period is open from June 1, 2022 to July 1, 2022.*

Please select the following:  
School: Capital Community College  
Program: CCC Nursing- CORE Check 6-1-22

Please NOTE on the ERS Page requesting Personal Information, you will see 2 mandatory fields to enter “School” and “Type”. Please use the following Codes:  
School: CORE  
Type: CORE

You will also receive a separate email stating that your information is being processed by Employers Reference Source, Inc. (ERS). Our school will receive periodic reports from CLN, informing us which students have completed the screening. We will contact you directly should any additional information need to be gathered prior to your clinical experience. Should you have questions related to this process please contact CLN at 203-691-5013.

____________________________________________________________________________________________________________________

Please sign-off on the bottom of this page and return the slip to the Nursing Program via Email to alemire@capitalcc.edu This allows us to release your name to CLN so that they can accurately report the status of your check to CCC.

I allow the Nursing Program at Capital Community College to release my name to the CLN to track my completion of the mandatory background screening.

Personal Technology Guidelines for CT-CCNP Students

Personal technology plays an important role in the current higher education environment. It is a requirement for students to own a personal computing device and have access to broadband internet.

The recommended device is a laptop or desktop computer. NO Netbooks, Chrome Books, and tablet computing devices do not have the computing power of a normal laptop or desktop computer, for this reason they are not recommended for use as a primary computing device.

All CSCU students have access to the full Office 365 Professional suite of applications which requires one of the following operating systems for installation:

- Windows 10 (Professional, Education, Enterprise, or Home)
- macOS 10.14 (Mojave) or higher

These operating systems can only be run on a full laptop or desktop computer.

Table 1. - Hardware recommendations for laptop or desktop

<table>
<thead>

<td>Headset or Speakers and Microphone</td>
</tr>
</tbody>
</table>

- Internet Access

High speed (broadband) internet access is also a requirement for the use of personal technology. Although some internet service providers (ISPs) label all their offerings as high speed, some of these services fail to meet the throughput requirements necessary for the online activities required for your courses. At this time, connection speeds of 6 – 10 Mbps (or higher) are suggested for typical educational activities like video streaming, teleconferencing, and file downloading.

Additionally, if using cellular wireless for data connectivity you should consider a plan with higher data caps (6 GB to unlimited monthly).

Web Browsers

Any of the web browsers below are suitable for use, although some websites may have specific requirements. In addition to their default browser, all students should have a secondary browser loaded for troubleshooting issues when they occur.

Current versions of these browsers at the time of publication are:

- Chrome 81.0.4044.138
- Edge 81.0.416.72
- Firefox 76.0.1
- Safari (macOS) 13.1
**Pearson Digital Resources**
For successful use of the digital resources provided with the Pearson Textbook package Pearson recommends:

- Use Chrome or Firefox as your browser
- Allow pop ups
- Enable cookies

For the best experience with the Pearson resources, check the system requirements for your product at: [https://www.pearsonmylabandmastering.com/northamerica/mymislab/system-requirements/index.html#browser-settings](https://www.pearsonmylabandmastering.com/northamerica/mymislab/system-requirements/index.html#browser-settings)

Specific directions for problems that persist despite adherence to these recommendations are located in your Blackboard nursing course in the *MyLab Nursing Student Tools* folder.
PARKING FOR CAPITAL COMMUNITY COLLEGE
GUESTS AND VISITORS

** If you are visiting the College, free secure parking is available at the Morgan Street Garage and present your ticket for validation at the front desk in the lobby.

Parking for Capital Students
- Morgan Street Parking Garage

Parking for Capital students is in the Morgan Street Garage, located at 155 Morgan Street, directly behind the college (the building with green glass windows). Handicap-access is available.

From Interstate 91 North or South

Take Exit 32-B (Trumbull St.). At bottom of ramp, turn left onto Market St. Take third left onto Talcott St., then first left into Garage entrance.

From Interstate 84 East (from West Hartford, Farmington, etc.)

Take Exit 50 (Main St.). At third traffic light, turn right onto Market St. Take first left onto Talcott St., then first left into Garage entrance.

From Interstate 84 West (from E. Hartford, Manchester, Route 2)

Take Exit 50 (Main St.). At bottom of ramp, turn left onto Market St. Take second left onto Talcott St., then first left into Garage entrance.

To Enter the College

The entrance to Capital is located diagonally across the intersection of Market and Talcott Streets. Please use the pedestrian signal lights to cross this intersection!

Go through the revolving door and take the escalator two flights up to the Main Street level. Walk through the mall to Capital's Main lobby. From there, you can take the elevator to your destination.
